

Hope for the Future!

Cystic fibrosis (CF) is the most common, fatal genetic disease affecting Canadian children and young adults. **There is no cure — but there is Hope...**

Cystic Fibrosis Canada is a world leader in the field of cystic fibrosis research. The organization funded groundbreaking research that led to the Canadian discovery of the gene responsible for cystic fibrosis. Despite five decades of progress, each week in Canada, two children are diagnosed with cystic fibrosis and someone dies from the disease. There is still an urgent need to find a cure or effective control.

In 2010/2011, Children's Hospital located at London Health Sciences Centre (LHSC) cystic fibrosis clinics received over \$80,000! These funds enable a specialized CF team the ability to provide ongoing care, treatment and support to children and adults in London and region.

While the medical teams are taking care of patients today, researchers at UWO are looking towards the future. In 2010/2011 researchers were awarded over \$290,000 as they continue to look for a cure or control for this disease right here in our community — benefiting the world.

All of this is made possible because of your support. You've helped make this a reality. For example, last year alone \$20,000 was raised for research and in the last 40 years the CF Charity Golf Tournament has raised \$750,000!

Help us continue this hope for the future — register to play today or show your support with a donation.

Thank You

**Payment and Registration Deadline:
August 17, 2011**

Reservations will not be guaranteed without payment. Please complete the registration form and mail or fax to:

**CF Golf c/o Erin Crawford
1344 Blanchard Road, London, ON N6G 3J6**

Tournament Highlights

Friday, August 26, 2011

Grab your clubs and join us on the greens of the Highland Country Club's — a hidden gem right in the heart of London, Ontario.

This year we have changed our format to accommodate you better. Before you tee-off fuel up with a healthy, hearty brunch. After a fun day on the links, enjoy the view from the patio while relaxing during the cocktail reception. Take a moment to bid on the auction items or the opportunity to network with other players, then join us for a spectacular dinner in the beautifully renovated club house as we celebrate another year of breathing hope into the future for kids with Cystic Fibrosis.

Tournament Schedule:

| | |
|------------|------------------------------|
| 9:45 a.m. | Registration Opens |
| 10:45 a.m. | Brunch |

Make a difference... Make a donation

You can make a difference and help children with their fight against Cystic Fibrosis by making a cash donation. Your charitable donation will be used to help find better treatments and search for a cure.

Please make cheques payable to:
Cystic Fibrosis Charity Golf Tournament

Proceeds Benefit

Cystic Fibrosis Canada is one of the largest funders of cystic fibrosis research in the world. CF Canada supports more than 50 promising research projects in Canada every year — including research happening right here at UWO. CF Canada also supports the ongoing care of CF patients in our community and region through paediatric and adult clinics at London Health Sciences Centre (LHSC) and Children's Hospital at LHSC
